PRICE 2 CENTS.

READ AND YOU WILL LEARN

That the leading medical writers and teachers of all the several schools of practice endorse and recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their results, as bronchitis, throat and lung diseases (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherry bark, Golden Seal root, Bloodroot, St. John's Wort, and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hare, of the Univ. of Pa.; Prof. Finley Ellingwood, M. D., of Bennett Med. College, Chicago; Prof. John King, M. D., late of Cincinnati; Prof. John M. Scudder, M. D., late of Cincinnati; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through druggists for like purposes, that has any such professional endorsement—worth more than any number of ordinary testimonials. Open publicity of its formula on the bottle wrapper is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous or harmful agents and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful ingredient in the cure of all stomach as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native medicinal roots and is safe and reliable.

A booklet of extracts from eminent medical authorities, endorsing its ingredients mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

Work of Bank Robbers.

Like the raids of the James and
Younger band of outlaws who rode into
Sawyer, N. Dak., at dawn yesterday and
seized the First State Bank, dynamited
the safe, and escaped with \$4,500.

About 4 o'clock half a hundred citizens
were aroused by the explosions and
repairs to the street. Here they were
met with a volley of rifle bullets, fired by
the watching guard of three men. The
citizens were commanded to stay where
they were, and occasional shots were
fired by the outlaws to show that they
meant business. One hour was consumed
in dynamiting and robbing bank
safe, and during all this time the citizens
were powerless to interfere.

When the robbery was completed the
bandits quickly dispersed in the darkness
after firing a volley at the townspeople,
who were lined up on the street. Half
an hour later they met a farmer jogging
into town and fired thirty shots at his
wagon, one shot striking him in the
head and another killing one of his
horses.

Previous to attacking the bank the
robbers broke into a hardware store and
stole a dozen rifles and revolvers, with
ammunition.

A special from Minot, N. Dak., says
that the bank robbers have been sur-
rounded north of Minot, and that a fight
was in progress last night. Twenty-five
men, armed with rifles, left Minot last
night on a train to assist Sheriff Lee in
capturing the bandits.

Negroes Objects to "Clansman."

Under most unusual conditions "The
Clansman" was produced last night at
the Walnut Street Theater, Philadelphia.
The colored clergy of the city had made
a formal protest to Mayor Weaver against
the production of the play, claiming that
"lynchings have been encouraged by the
play." The Mayor refused to take any
action.

About a half hour before the theater
opened Ninth and Walnut streets, where
the playhouse is located, were packed
with colored people. Director of Public
Safety McKenty, who, realizing the dan-
ger, had hastened to the scene, begged
the ministers, who seemed to have com-
plete control of the multitude, to disperse
the mob.

While the director was at the scene a
riot call was sent in, and five patrol
wagons brought half a hundred police-
men to the theater.

The colored ministers surrounded Di-
rector McKenty and demanded that he
stop the play. The Director delivered a
brief speech, asking the crowd to dis-
perse, and saying that he would endeavor
to have the play discontinued after that
night. This seemed to have a soothing
effect on the crowd, and it slowly scat-
tered.

Early in the evening a colored man
attempted to create a disturbance in the
theater. He was arrested, but the police
had considerable difficulty in rescuing
him from the crowd in the gallery.

Silver Set For Battleship Virginia.

Some time next month the State of
Virginia will make a formal presentation
to the battleship which bears its name of a
\$5,000 silver service. There are forty-six
pieces in the set, which weighs 2,500
ounces. It was made by the firm of
Bailey, Banks & Biddle, in Philadelphia,
and is now on exhibition at their jewelry
store. All the glories of Virginia are
depicted upon the various trays, platters,
pitchers, loving cups, salad bowls, punch
bowls and the like. There are the seven
Presidents from "the Mother of States"—
Washington, Jefferson, Madison, Mon-
roe, Harrison, Tyler, and Taylor; the
three ships which sailed into Jamestown
in 1607 with the first American settlers,
the Susan Constant, God Speed and
Discovery; a portrait of Chief Justice
Marshall on a pitcher tray; portraits of
Patrick Henry, Captain Mury and
General Lee; an allegorical picture of
John Smith and Pocahontas, and a
beautiful silver cigar box with a por-
trait of Sir Walter Raleigh, who
learned in Virginia the soothing in-
fluences of tobacco, and introduced the
weed into Europe. There are also pic-
tures of the University of Virginia and
the State Capitol. The battleship Vir-
ginia is now stationed in Havana.

Simple Life a Failure.

Failure has rewarded the effort of a
group of German literateurs, painters
and philosophers to establish a simple
life colony in the Kabakoon Islands of
the Bismarck Archipelago, in the South
Pacific, and three of the four leaders
of the movement are dead. Herr Rob-
sohn, a painter, one of the survivors,
has returned to civilization, and through
him the story of the outcome of the ex-
pedition has become known.

The simple life advocates abandoned
clothes for the costume of Father Adam.
Their diet was not less simple than their
clothing, and consisted purely of nuts
